### To Advertisers.

The ADVERTISER is the oldest newspaper in North Mississippi, it has a large and increasing circulation in Tippah, and a limited circulation in all the surrounding counties, and we would therefore suggest to business men, that its columns would be a good medium through which to make their business known.

Those of our friends who are in arrears for subscription, advertising, etc., are cordially invited to give us a call, provided they have any loose change about them. A word to the wise is sufficient.

### GREAT COMBINATION.

The RIPLEY ADVERTISER AND DEMOREST'S ILLUSTRATED MONTHLY MAGAZINE. Both publications, one year, for Three Dollars.

DEMORST'S MONTHLY is justly entitled the World's Model Magazine. The largest in form, the largest in circulation and the best Two Dollar Family Magazine issued. 1883 will be the nineteenth year of its publication; it is now improved so extensively as to place it in the front rank of Family Periodicals, and equal to any magazine. It contains 64 pages, large quarto, \$1 1/2 and a half inches, elegantly printed on tinted paper, fully illustrated, each number having steel engravings, oil etchings, or art subjects published by W. Jennings' Demorest, New York, and by special agreement combined with the ADVERTISER at Three Dollars per year.

Send your orders for job work to the ADVERTISER office.
